### DETAILED ACTION

1. The following is an examiner's statement of reasons for allowance: Prior Art fails to disclose an intelligent data concentrator comprising a housing having a first surface and a second surface and configured to be mounted substantially within a cavity in a wall in such a way that the first surface is internal to the wall and the second surface is external the cavity and substantially planar with the wall, the housing further comprising a fault detection means internal to the housing and coupled to the means for processing and interpreting data, the fault detection means operable to identify, based on a physical location of the housing and communications from the head end, a physical location of a fault in the network in combination with other limitations set forth in the respective claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chirag G. Shah whose telephone number is 571-272-3144. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jay Patel can be reached on 571-272-2988. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
